#### High Quality Auto Exhaust Valve

Solve the problem that the box can not be opened or deformation due to the difference of internal and external air pressure and keep water molecules out.

#### Easy To Open With Latches Design

Smarter and easier to open than traditional cases. Start the release and offers plenty of leverage to open with a light pull in just seconds.

#### Retractable Pull Handle Design

With our retractable handle design, it can be adjusted to pull. Also can be packed in the car, home with high capacity. Perfectly use of travel and outdoor.

#### Customizable Fit Foam Insert

Extremely well padded inside with the ability to cut the foam how you require; by making it to fit a particular object/item keeps them snugly in place during transport.
